

Ad Design Services, Art Deadlines, & Ad Sizes

For small business advertisers who need ad design assistance

Katy Magazine sometimes works directly with small businesses that do not have graphic designers/agencies. We help create ads targeted to our audience using our advertising expertise. Ads are for Katy Magazine use only. Industry rates apply.

AD MATERIALS & DUE DATES

We will need your logo, completed "About Your Ad" sheet, and any other materials used to create your ad on or before:

- January 30 (Spring Issue)
- February 30 (Katy Life Newcomer & Relocation Guide)
- April 30 (Summer Issue)
- July 30 (Fall Issue)
- October 30 (Winter Issue)

Materials received after above dates will be assessed late fees of \$50-\$150 or will not be accepted.

We accept the following items used to create your ad:

- High Resolution Logos
- High Resolution, Professional Photos
- Your Printed Materials or Brochures we can scan
- Examples of Past Ads, Business Cards, Signage (so we can get an idea of your branding and style)

We do not accept:

- Web Graphics, Low Resolution Photos, or Unprofessional Photos
- Copyright Protected Photos or Ads to replicate/use
- Before and After Photos, Suggestive Photos, or anything that may be offensive to our family audience

What if you do not have any materials?

We will use a stock photo that is representative of your target audience and a font style that resembles a logo.

FINAL AD APPROVALS

You will need to be available for ad reviews/approvals (via email). We will need your signed ad approval form in our office by:

- February 15 (Spring Issue)
- March 15 (Katy Life Newcomer & Relocation Guide)
- May 15 (Summer Issue)
- August 15 (Fall Issue)
- November 15 (Winter Issue)

Ads that have not been approved by the 15th and require additional changes will be assessed a \$150 Rush Fee. When no approval is received, we reserve the right to run the last draft sent to you or a previous issue's ad. NOTE: We provide a total of 3 ad proofs before additional fees are assessed.

WEB SKYSCRAPER ADS

We will base your web skyscraper ad design on your print ad design, so there is consistency in your branding and message. We must receive adequate materials from you at least two weeks before your ad is scheduled to go live on KatyMagazine.com or posting may be delayed.

SENDING ART MATERIALS

Please email forms and materials to your customer service representative or customerservice@katymagazine.com. Ad changes are not accepted until your AD CHANGE REQUEST FORM is received by our office. Files that are too large to be sent through email (over 5MB) may be sent using yousendit.com, a free file transfer service.

Questions? Please email your customer service representative or customerservice@katymagazine.com.
