GRAYSON LAKES
 LIFE'S BETTER ON THE WATER.
 by Newland COMMUNITIES

What will Grayson Lakes be for you?

Whatever you decide, you can always change your mind, because Grayson Lakes offers so many different possibilities. With 35 acres of lakes, water is truly the center of the community. Pack a picnic basket for a lakeside lunch. Write the great American novel on your dock. Or, if the water looks too tempting, get on it. Show off your kayak skills. Row out for some fishing. Race your friends in a sailboat. Plus the community recreation center borders the water, and landscaped walkways, parks and trails surround it. You simply won't find another community like it anywhere in Katy. So come to Grayson Lakes. The water is calling you.

Homes from the \$200s to over \$700s
