British Private Prep School's Cinco Ranch location

The British Preschool Advantage

Five ways Katy children of all nationalities benefit from this proven British Curriculum

by Cheryl Sage, owner of British Private Prep Schools & preschool educator

1. Education Readiness

Recognized by many Katy ISD teachers as a leader in preschool education, British Private Prep ensures children are well-prepared to meet Katy's competitive academic standards. We have degreed teachers and an education coordinator that implements your child's daily academic plan.

2. Manners and Etiquette

From proper table manners to waiting one's turn; from being a friend to respecting others, we use positive reinforcement and age-appropriate techniques to instill these basics at an early age.

3. Social Development

Through a variety of social experiences, we help children develop a positive sense of themselves and others. Children also learn how to stay on task, maintain concentration, and sit quietly when appropriate.

4. Language and Literacy

Using a variety of educational tools, we help children become competent speakers and listeners. We teach and reinforce appropriate use of language and communication.

5. Knowledge of the World

Through hands-on activities, children encounter people, plants, and objects in their natural environments to help them gain a perspective of the world they live in.

Degreed, nurturing teachers

Character building and responsibility

Daily Academic Plans for each child

CHERYL SAGE is the Owner and President of British Private Prep Schools. She has a Bachelor of Education from Middlesex University in London. Sage is a seasoned educator, presenter, and trainer on preschool topics.

The British Curriculum is known worldwide for its focus on academics along with character building life-skills like responsibility, respect, manners, and kindness. British Private Prep has served 1500+ children and is one of the most recognized and respected preschool programs in the area.
