GIVING BACK

The community recognizes this year's top VIPs (Volunteers in Public Schools)

They coordinate classroom art projects, organize library books, and help with cafeteria duty, all while serving as positive role models for students. Katy ISD's 14,700 school volunteers wear a variety of hats, donating over 760,000 hours to the district in the past school year, which equates to a contribution of over \$16,500,000. Katy ISD recently honored their contributions at the Volunteering in Public Schools (VIPS) breakfast held at the Merrell Center. The celebration recognized one outstanding volunteer of the year from each Katy ISD campus who went above and beyond in their service to students and staff.

"We couldn't do what we do without you, and we couldn't be who we are without you," Katy ISD Superintendent Alton Frailey told the roomful of volunteers. "I thank you so much for what you do for our boys and girls." *Katy Magazine* salutes these honorees and all the dedicated volunteers for their work during the 2011-2012 school year!
