

THANK YOU

Katy Magazine

NOTES OF THANKS FROM OUR COMMUNITY LEADERS

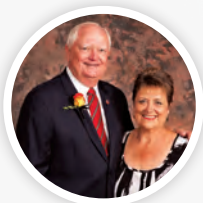

It gives me great pleasure to congratulate Katy Magazine, your work, and your staff on achieving the milestone of the magazine's 10th anniversary. Katy Magazine showcases the city's businesses, neighborhoods, and schools to the public at the local, state, and national levels. It's no wonder flocks of newcomers have made the decision to relocate to Katy! I congratulate you and your team for your accomplishments over the last 10 years, and anticipate the continued success of your magazine.

- Representative Bill & Ann Callegari

I'd like to take this opportunity to extend my sincerest congratulations and appreciation to you and the rest of the Katy Magazine team on 10 years of a job well done! Katy Magazine has long been a quality partner and supporter of Katy ISD schools. Your team's commitment to celebrating student achievement and supporting education continues to amaze me. The involvement and support of community businesses, like yours, help make Katy ISD the destination district that it is.

- Superintendent Alton Frailey

We want to take this opportunity to say "thanks" for all of your service and support with Katy Magazine and for the initiative to come to Katy and do such an amazing job. We have all benefited from your contributions to the city. Your staff has been nothing but first class. We appreciate you and the efforts that have been shown to make your magazine a success.

- Former Mayor Don & Ida Faye Elder

It is hard to believe that your magazine is 10 years old. Congratulations! I cannot express how blessed my firm has been through both the personal and business relationship I have had with you over the past few years. It is truly refreshing to have people with such high integrity in the Katy community. Your support of this great community is unparalleled, and is one of the reasons Katy is such a wonderful place to live and own a business.

- Art & Dawn Beatty of Beatty CPA, LLC

Katy has grown so much in the last 10 years and Katy Magazine has grown with it. Your online presence takes our local story worldwide. At the same time, your stories about important issues bring the world to Katy. For every photograph and story there are multiple copies tucked away as family keepsakes in many of our homes. Framed copies of your stories hang in our offices, in fact, it is rare to find a public space without a few copies of Katy Magazine on a table. Congratulations on this wonderful accomplishment.

- Katy Heritage Society Board Member Carol Adams

Living and working in Katy for the past 40 years, I have been so blessed to see the growth and change in this wonderful community. You all have done an amazing job of capturing this spirit of growth and excitement in every issue of your magazine. You truly show that you love Katy and are proud of this community! I feel very blessed to call you my colleague and friend. I wish you many more years of success and amazing work.

- Parks & Recreation Director Jamie Wolman

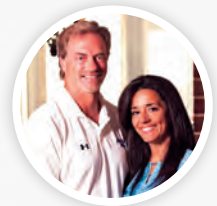

Congratulations on your 10th anniversary of publishing Katy's finest community magazine, and for allowing Tradition Bank and the Vickery family to be a part of all the great things you're doing. You have been the best source of information for what's happening in Katy, provided area businesses with the best means for getting their message out to the community, and have shared your time and talents with other area organizations in support of causes that are important to us all. You are one of our favorite "traditions" and we wish you all the best in the years to come!

- Tradition Bank Chairman of the Board & President Downy & Kavin Vickery

We want to extend our congratulations on celebrating your 10th anniversary! It's been a pleasure to work with the entire Katy Magazine team throughout the years. In doing so, we have seen the many reasons why the magazine is such a success and it starts at the top with Katrina's leadership. She and Matt have done a brilliant job of running a professional and award-winning publication. Their care to advertisers to ensure they deliver the best product, not just in print, but also on the web is never-ending. We applaud all you do.

- Dr. Brett & Fatima Donaldson of Grand Vision

I am delighted to have the opportunity to wish Katy Magazine a very happy 10th anniversary! Katy Magazine's commitment to the Katy community is to be commended. They produce an excellent publication as well as continuing to find ways to give back to the community. We wish Matt and Katrina, and all the team, continued success in the future and great happiness in celebrating their 10th anniversary. Congratulations!
