Kicking Cancer's Tail

"I wanted to let you all know how this article impacted two of its 'subjects.' My sister Gina and Rosie became quick friends at the photo shoot for the article. Rosie shared my sister's story with her pastor at Grace Fellowship Methodist Church. The pastor began praying for my sister. Rosie passed away in September. My sister went to the funeral at Grace and began meeting with their care ministry. She had begun the process of planning her funeral and going through counseling. She passed January 1, 2014. Because of the photo shoot and article my sister found comfort in her last few months. Her deepest concerns and thoughts were then shared with my mom through the Care Ministry. Thank you for choosing my sister as one of your featured subjects in kicking cancer's butt!"

- Nicole Goldman

Dear Nicole,
We are all glad Gina found comfort and new friendships in the last few months of her life because of the people she met through our story. My sister also has cancer, so your letter really hit home for me and made me smile. God bless.
