

Ultimate OUTDOOR SPACES

Enjoy the luxury of these open-air retreats

Written by Kirsten Cornell

Game Day Room

This covered patio has all of the modern day conveniences and creates a spacious entertaining spot. Built-in chillers and refrigerators provide guests refreshments at arm's reach. Flat screen TVs were installed so you don't miss a moment of the big game while enjoying the outside air.

Cozy and Comfortable

Create a space that is uniquely you. The stone fireplace brings the indoors out and creates a feeling of hearth. Add comfortable outdoor furniture with colorful, patterned pillows, and you'll have an outdoor space that will serve a gathering of friends or an intimate dinner for two.

Garden Hosting

Ideal for al fresco dinner parties, this space highlights the owner's hard work on their gardens while giving them a lovely spot to entertain. Theme your outdoor dining table too with colorful centerpieces, matching candles, and flatware.
