Have peace of mind and let your kids frolic on two fully-fenced, age-appropriate, covered outdoor playgrounds. Too hot outside? They have an indoor video arcade, wall-to-wall flat screen TVs, and a party room.

Kiddos will backflip over a surprise family dinner with access to an indoor playground as well as family nights Monday through Wednesday at the Cinco Ranch, Katy Green, and Mason Road locations each week.

Invite a few friends along and chat on the patio during a cool, clear night. The kids will absolutely love the live animals and open space to play.

D'Amico's Italian Restaurant

2643 Commercial Center Blvd.

You and your spouse can have a "date night" on the patio for a few precious moments while the kids play just a few feet away on the Astroturf at Central Green.

DoubleDave's Pizzaworks

1650 S. Mason Rd.

The combination of pizza and arcade games is always a winner. Try a new topping and challenge one another to an air hockey battle. Winner picks dessert.
