CHICK-FIL-A KATY GREEN

.....

now open at I-10 & greenhouse

The Gathering Table

Chick-fil-A Katy Green's Heritage design features handmade pieces created by artisans – each with a unique story to tell.

A handmade Coca-Cola light fixture hangs above the Gathering Table. The fixture pays homage to the long-time partnership Chick-fil-A has enjoyed with Coca-Cola. A partnership that began when Truett Cathy was just eight years old and sold bottles of Coca-Cola for a nickel a piece.

The peach basket light fixture is a whimsical tribute to the peach milkshake.

During the Depression, the Cathy family took in people down on their luck as boarders, and they would gather together around their family table.

Our Gathering Table is handcrafted by men from A Better Way Ministries, who seek a fresh start from addiction and other life-controlling issues. As in the past, the Cathy family still seeks to provide a gathering place for people from all walks of life to meet and form community.
