FAVORITE MOMENT

"The first look! Neither one of us wanted to do a first look, but it turned out to be so special. It was a very intimate and sweet moment for us to share before the wedding."

WEDDING SNAFU

"The day before the wedding, two of my bridesmaids went to pick up their dresses from being altered and the place was closed. The next day (wedding day) they went back and waited for three hours past opening time and still were not able to get their dresses. They called David's Bridal - Sugar Land and they let them come get new dresses. They ended up finding the same dress, in the same color, in their sizes, and made it to the wedding with time to spare."
