Memorial Hermann Earns National Recognition

Memorial Hermann Health System has been selected as one of the nation's "Most Wired" for the 11th consecutive year, according to a survey published by the American Hospital Association in *Hospitals & Health Networks* magazine (H&HN). Memorial Hermann has strategically invested resources into comprehensive programs that have helped integrate services with a focus on patient safety, operational excellence, efficiency, and compliance across its system.

New Treatment Center in Katy

University of Texas MD Anderson Cancer Center is in the process of building an outpatient diagnostic and treatment center to serve the communities of West Houston. The center will be built on 36 acres of land owned by MD Anderson, near the intersection of Interstate 10 and Highway 6. When it opens to patients in 2018, the building will be approximately 175,000 square feet.

Texas Children's Cardiologist Receives Honors

Dr. Hugh Allen, pediatric cardiologist at Texas Children's Hospital, was presented with the Council on Pediatric and Congenital Heart Disease Founders Award from the American Society of Echocardiography (ASE). Dr. Allen received the prestigious accolade during ASE's annual scientific session. The biennial award recognizes continued major scholarly contributions to the field of pediatric echocardiography. Dr. Allen was instrumental in the development of the field and was involved in the early days of interventional catheterization.

MD Anderson Cancer Center Named Best Hospital

The University of Texas MD Anderson Cancer Center has been ranked the No. 1 hospital for cancer care in the nation by *U.S. News & World Report's* "Best Hospital" survey. Since the annual survey launched in 1990, MD Anderson has been named one of the top two cancer hospitals in the U.S. It has ranked first 11 times in the past 14 years.
