## New Year's Eve Tips

**BOOK AN UBER** - Use the Uber app to summon a driver within minutes who will take you to and from the night's festivities.

**BRING COMFY SHOES** - Those four-inch stilettos might look fierce, but after a few hours you'll feel like you need a doctor. Pack a pair of easily-concealed, fashion-savvy flats or sandals that coordinate with your outfit just in case.

**CARRY LIGHT** - Carry a small purse or clutch with only the essentials.

**AVOID SOCIAL MEDIA** - Make a rule not to post pictures after 10 p.m.

**DON'T GO ALONE** - Stick with the buddy system and always travel with your spouse, or for single people, in pairs.
