It's all in the title. The sky's the limit when it comes to beverages on tap or signature craft creations. Sink your teeth into tavern taters: tater tots topped with homemade beer cheese, jalapeños, bacon, scallions, and sour cream. The whiskey-spiked Kentucky hard root beer mixes framboise syrup and Rittenhouse Rye with Not Your Father's Root Beer, poured over ice and topped with whipped cream. These aren't root beers like you cracked open as a kid. While you're sampling the plentiful menu out on the patio, challenge your buddies to a game of life-size Jenga or Connect Four.
