

WE LOVE OUR SCOUTS

Girl Scouts Get Hands On with Car Care

To earn their car care badge, girls from first through fifth grade in Troops 13514, 14005, Junior Troop 13002, and Daisy Troop 13051 learned about maintenance and computerization in vehicles. They changed the oil in a car, used impact tools to rotate tires, and competed in a flat tire changing contest.

Girl Scouts Earn Bronze Award

The girl scouts from Troop 17487 completed their bronze award by hosting and preparing an appreciation dinner, complete with skits, for the Western Horizon Community.

Life Flight Field Trip at Memorial Katy

Dozens of high school-age kids spoke with EMTs and members of the Life Flight medical team at a recent meeting of the Memorial Hermann Katy Medical Explorer program, led by Boy Scouts of America.

Girl Scouts Have a Sleepover at Aquarium

The girls from Troop 127001 visited the Downtown Aquarium where they learned about stingrays, sharks, and had a sleepover in the White Tigers of the Maharaja's Temple exhibit to earn their Water Wonders badge.

Boy Scouts Learn Flag Etiquette

Boy Scouts from Troop 925 learned how to fold, raise, and display the U.S. flag properly. The troop also retires flags several times throughout the year. They will be gathering the flags from the VFW and retiring them in the fall.

Girl Scout Earns Silver Award

Sarah Escovy, an eighth-grade cadette Girl Scout from Troop 17291, earned her silver award by holding a public flag retirement ceremony. Her project exceeded the required 50 hours that it takes to complete a Girl Scout silver award project.
