We are the place where learning happens best, and we work alongside the world's leading organizations, supporting student learning through collaborations with The Juilliard School, Massachusetts Institute of Technology (MIT) and **FIRST**® LEGO® League. From the innovative design of our new 275,000 square-foot campus to our extensively trained teachers, the British International School of Houston is committed to creating the highest quality learning environment in the world.

**“We are preparing the future leaders of the world,
and we take that responsibility seriously.”**
- Andrew Derry, Principal
