It saved our marriage

When Rudolph and Romelia came to SiLC, their marriage was falling apart:

- He ignored his family, living the single life
- Arguments escalated and led nowhere
- His infidelity destroyed her trust
- Her insecurities fueled their arguments
- Therapy couldn't heal the constant abuse

But when they came to SiLC, the counseling and tools they received helped them heal from their past, and rebuild a loving, strong relationship. All this along with prayer and the Word of God made their dreams of a happy home come true.

They're glad they tried SiLC - and didn't give up.
