

KATY SCENE

Summer of Love

*Feelin' Groovy at
Katy Arts for All Festival*

Katy Magazine recently sponsored the Katy Visual and Performing Arts Center's Arts for All Festival. Held at LaCenterra, the theme was "Peace, Love, and Art." Kids and families enjoyed free booth activities, performances, music, and great food. A big thanks to all the families who stopped by the Katy Magazine booth to take photos with us.

Katy Magazine Wins Best Booth

For the third year in a row, Katy Magazine wins the Best Booth trophy at the Arts for All Festival. Austin and the girls made sure everyone behaved. *Yeah, baby!* Katy Budget Books was named Best Booth Honorable Mention.

Prepared for Kindergarten. Prepared for Life.

Children from all nationalities are welcome and will benefit from our proven British Curriculum and academic stimulating environment. Our fully qualified staff provide a vast array of opportunities for your child to explore, experiment and discover via a wide range of activities, both independently and through guided teaching strategies.
